iPal Booking Instructions

Register:

Head to **https://funsciencebath.ipalbookings.com/** and on your first visit, click 'register' underneath the login section. You will be required to create an account which you can then use for all future bookings.

Add a child:

Head to 'Profile' > 'Add Child' - you will only need to add each child once. You can head to this page any time to update your child's information. **Please ensure this information is kept up-to-date.**

Please supply a tax-free childcare reference if you intend to pay this way. If not feel free to skip this part.

Booking:

Once you have added your child/children to your account, head to 'Book'. In here you can choose holiday club, click 'Book Now' and then select 63rd Scout Hut for our Bristol club or St Barnabas Church Hall for our Bath club.

Tick the box for the child/children you would like to book.

In the final 'select dates' section, select the days you are looking to book the club on. If, for example, you wanted to book a Tuesday, select Tuesday and then you will be shown all sessions that are happening on a Tuesday. Scroll down and select the specific sessions that you want.

Scroll down the page, click 'Create Booking' to proceed. This will take you to the payment page where you can pay via card, childcare vouchers/tax free childcare or using any existing credit in your 'Wallet'. If you exit at this stage, your booking will be incomplete and therefore, your child will not appear on our register until this is confirmed.
